F 315.698.2458

It's official. Lan's Flower Farm Inc. is now a Certified MWBE/WBE. It only took the State of New York 5 years to review and approve our application. Hallelujah

We want to thank you for your business and your continued trust in **Lan's Flower Farm Inc.** LFF prides itself in growing top-quality plants that are sustainability produced at reasonable prices. Sustainability means that we use locally sourced renewable products for our proprietary signature potting mixture. Our pots are made from recycled plastics whenever possible, and we do not use harmful fungicides, pesticides, or insecticides. When and if necessary, we only use organic and biological treatments/controls ensuring that our plants are safe for people to handle as well as safe to our pollinator friends and pets. Our nursery is inspected yearly by NY State Ag & Markets to ensure that our plants are free of diseases and insects too. What this all means to you is that you are assured to get the best and healthiest of plants.

2024 marks our 18th year in business. We are proud to say that we are the largest grower of perennials in Central New York - selling plants to both wholesale and retail customers, as well as at local Farmer's Markets and Festivals. Each year we try to bring you the latest plant varieties to keep up with new plant trends and your needs. We have added easy care Roses, Hydrangeas and Shrubs to our extensive plant inventory which now totals close to 30,000 container grown plants. We have also partnered with larger national wholesale nurseries and are able to source out all your shrub and tree needs, so if you don't see something listed in our catalog, please ask and we will try to get it for you.

LFF is a family business committed to customer satisfaction and the environment, located just 13 miles north of Syracuse, in Clay, NY. LFF's staff members have a combined 50+ years of experience in horticulture, landscape design and perennial knowledge. LFF is dedicated to helping each and every customer with any and all questions they may have about plants, including plant growth, requirements, form and habits.

Thank you for choosing **Lan's Flower Farm Inc.** for your plant needs, and we hope to see you soon.

Wishing you all the best in 2024.

BUSINESS HOURS

Nursery Hours

April 15th thru November 15th+/-

- Monday through Friday: 9am - 6pm (7am – 6pm wholesale)

- Saturdays & Sundays: 9am - 6pm

TERMS of SALE

Payment: Full payment (Cash on Delivery) is required when picking up your order unless credit has been established. **All sales are final.**

Orders: A 50% deposit shall be required to hold any Customer order. No order shall be held longer than five (5) days. If the Customer fails to take the order within such five (5) day period, a restocking fee of 15% of the order price may be assessed to the Customer. In no event shall Lan's Flower Farm be responsible for replacing nor holding Customer orders longer than 5 days. **Special orders require 100% payment prior to placing order. Payment is non-refundable.**

State and Local Sales Taxes: Shall apply to all orders unless a valid resale certificate has been supplied to Lan's Flower Farm by the Customer. A tax-exempt certificate must be on file prior to the date of purchase to be exempt from sales tax at time of sale.

GUARANTEE

Lan's Flower Farm guarantees our plants to be viable upon sale. We assume no responsibility for plants once they leave our nursery. Customer assumes full responsibility for goods following purchase. Our liability is limited to only the purchase price of the plants.

DELIVERY SERVICE

Delivery is available for wholesale orders over \$1000 at no additional charge (local only, 20 mile driving distance each way). Customer must provide their own staff to unload plants from Lan's truck.
